

ONSITE

Super Loo is committed to being **NUMBER 1** when it comes to portable toilets. Our team pride themselves on their friendly and professional service, and their ability to get your sanitation needs right first time – saving you time and hassle!

Superior products and quality you can rely on.

Over the past 20 years of operation, Super Loo has developed a reputation for being experts in the portable toilet industry, offering you service that's next-to-none, quality products you can rely on every time, superior cleanliness and competitive rates.

We'll meet your needs every time.

We provide a number of sanitation options for the building and construction industries, with short-term and long-term rentals available and a variety of units to suit your site and workforce. We also have a range of Events & Function Units as well as a Luxury Range for corporate events. After just one phone call, the needs of your team will be quickly and efficiently met.

Our personal guarantee to you.

Super Loo offers **same or next day service** and **24 hour emergency service** so you're never caught short. Super Loo is a member of the International Portable Sanitation Association, which guarantees our commitment to fulfilling your needs as we are bound by the rules and regulations of the association.

To find out more, call us now on 0800 500 205 and let the team at Super Loo find the right sanitation solution to suit your needs.
